Community Service 20 (one credit) is required for a NWT graduation diploma. The community service module comprises twenty-five hours of volunteer work. These activities will be planned, scheduled, and carried out by the individual student with the approval of the guidance counselor or principal. This module may be started in Grade 10 and completed during any year of the student's senior secondary schooling. However, graduation status will not be granted until the twenty-five hours of community service have been completed, documented and verified. (Revised: March 31, 2002 Senior Secondary School Handbook, section 12-1)
